MR. SMITH
Principal

This book is a record of a year at Northwestern and it should give us all pleasure to look back at our genuine achievements. In a changing situation it is all too easy to lose sight of our goals and simply concentrate on weathering the storm of change. We must always keep in mind the fundamental desire to create a school environment to satisfy all our needs but particularly those that require solid instructional success. The lasting worth of the work you do here will come when you find it possible to realize your potential after you have left this school.

EDITORS' MESSAGE

At some time or another, in our lives, we want to think about all the things that happened to us in our good old school days. But without a Yearbook to look back on to revive the old memories, this can become a very difficult task. Throughout this Yearbook you can see what has made our school tick during the past year, and we can only attribute this to our determined and spirited Northwestern society.

The time involved in putting a Yearbook together is very unlimited. It requires people who are willing and have lots of determination to make such a book of memories a real success.

We believe our book is a great achievement and we would like to give special thanks to the people who have made it so. Thank you Mr. Fraser, Mr. Walker, Mrs. Francom and Miss Hutchings for giving us your advice, your co-operation and your guidance in this great task. Thank you Mr. Edmonds and the Camera Club for providing us with pictures. Thank you teachers and office staff for your willing co-operation whenever we asked for it and last, but not least, thank you students for your contributions to our great Nor'Wester.

We all hope that this year 1972-'73 has been a great and prosperous year for all those involved with Northwestern, and that your Yearbook will hold the cherished memories for you too keep in years to come.

DEDICATION

The Nor'Wester Staff is pleased to dedicate our 1972 - 1973 Yearbook to three retiring members of our Faculty and Administration. We dedicate this book to Mr. Burnett, Mr. Gibbings and Mr. Camden and wish them much happiness in the future.

MR. BURNETT

After residing at Northwestern since the opening of the school, Mr. Burnett has decided that his future will be without the students of this school. He will resign at the completion of this year, and intends to travel widely and extensively, ranging from Australia to India. He was born at Durham, Ontario, and after receiving his Bachelor of Arts degree, worked at Kenora. In 1940 Mr. Burnett went overseas and served in the Canadian army for five years, and also worked with the United Nations for India and Pakistan. He received many decorations, among them are The Order of Leopold and The Croix de Guerre. He came to Stratford in 1957 and, after serving as principal for Central, he came to Northwestern in 1962. The opening night of the school is one of his memorable events. The new addition added during his time here is also a fond memory. Mr. Burnett's advice to the students is, "Honesty should be foremost."

MR. GIBBINGS

Mr. Gibbings has decided to leave Northwestern after completing the 1972-'73 term. He has been a valuable member of the teaching staff and, after teaching at this school for ten years and propelling innumerable students through, has deserved a good rest. He was born in Clinton and completed his studies at the University of Western Ontario. He came to Stratford in 1941, and after teaching at Central Collegiate, came to Northwestern in 1962. One of his more enjoyable memories of NW is the first graduation of the school.

His experiences in life have led Mr. Gibbings to state "Give your parents credit for some intelligence." After leaving here, he has plans to travel to Florida, and forget snow ever did exist.

MR. CAMDEN

On the first day of 1973 Mr. Camden left the Staff of Northwestern. The only definite plan now is for a well-deserved, temporary rest, doing some flying, scuba-diving, and playing the piano or the violin. He has taught at Northwestern for eleven years.

Throughout his life he has acquired a variety of experiences. He has been employed at a radio factory in his hometown, Hamilton, worked as a maintenance man for Stratford's radio station, and he has served in the Air Force where he received the M.B.E. title. Looking over the years and recalling the jobs he has held, Mr. Camden has one last word for the students of Northwestern, "There is nothing more devastating than to spend a lifetime working at something you don't like. Everyone you meet has had some different experience, everyone you meet could teach you something and everything you learn is some help towards being able to do something you like doing."

STUDENT' 23rd PSALM

The monster is my teacher I shall
not pass,
He maketh me to face the
blackboard,
He destroyeth my love notes,
He putteth my gum in the trash can,
He maketh me to be quiet and
taketh away my candy.
He waketh me from my sleep.
He leadeth me to the office for
conducts sake.
Yea, though I walk through the
Halls of Knowledge
I fear great evil, for I have forgotten
My homework.
His face hardens before me; he
maketh me write 600 words.
He filleth the blackboards with
homework;
My notebook runneth over.
Surely mischief and misfortune
shall follow me all the days
of my school life,
And I shall dwell in the halls of
the school forever.

* SENIOR FOOTBALL *

Probably the best Senior Football team Northwestern ever mustered together started last spring when Coach Bell and Coach Wright took over the reins. The season started with the Spring Clinic in May where the coaches looked over all prospective players. Then training camp opened on Aug. 28 with 11 players out. We started on fundamentals and prepared for our first games.

We played 2 exhibition games, the first against Regina Mundi College of London. We were well prepared and all psyched up to win our first game and did by 13-0. But unfortunately we lost our second game to a very powerful Palmerston game. Offensively under Coach Wright the backfield was drilled on execution of the plays for our tough season ahead. Our passing game was extremely effective with the newly found talent in Herb Christmann and Larry Commerford. Our running game was very strong, especially up the "gut" with Doug Horst and Dave McIntyre at fullback. Then there was Coach Bell's Interior 5, the men of the team, led by center Joe Klumper and tackle Blaine Luckhardt. They made holes big enough to drive trucks through.

Defensively we were unscorable on all our home games. Our 4-man line was very successful in handling the trench while the secondary sealed off the attackers passing game. Some of the highlights of the past year was that we came out with a 3 win and 4 loss record that no other N.W. Senior team reached. We blanked all of our opposition on our home field. One of them was a grueling defensive battle in which our safety Jim "Monster" Mitchell made a key tackle in the dying minutes and 2 interceptions to give us a 1-0 win over Clinton. Other wins were against Listowel 12-0 and St. Mary's 34-0. It was a very exciting and rewarding year and the coaches are looking forward to next year's team.

* JUNIOR FOOTBALL *

The juniors had their best year ever ending up in the finals of the Huron Perth Championship. Although they lost to Wingham, the team provided exciting football during the season and in the finals.

The highlight of the year was the victory over South Huron Junior Champions for the last three years by the score of 10-0. Our juniors played an almost perfect game. On that particular day they could have beaten any junior team in the province. A football team is a group of individuals working as a team achieve success. In every team there are certain individuals that stand out over the others. Doug Schippling, Norbert Christman, Don Blum and Doug Anderson were exceptionally good backfielders along with Mark Hammer, John Player and Ross Mathison on the offensive line. Bill McArthur, our 255 lb. end along with our defensive backs, such as Blaire Dellair, Wayne Koebel and Jim Minifie, played exceptional ball on defense. Sixteen boys are returning next year. We are looking forward to another good season.

* GOLF *

At the Huron-Perth Golf Tournament held at Listowel on September 29, the Northwestern team placed 4th out of nine other schools in the competition. Northwestern was well represented by Ed Wilkinson, Bud Dixon, Mark Baun, and Jamie Pyper.

Weather conditions due to heavy rains, made the playing difficult, but our boys never lost heart.

The teams scores for the different schools were as follows:

Listowel	333	Mitchell	359
Wingham	345	Central	361
Goderich	347	Seaforth	369
Northwestern	349	Exeter	371
	Clinton	383	

With any Luck, by next year Northwestern's Golf Team should again be in W.O.S.S.A. competition.

* SENIOR GIRLS VOLLEYBALL *

-by Diane Gatenby

Volleyball was the name of the game
And teamwork with spirit was our aim
Half the time we put it together
The remainder clouded by unpredictable weather.

The season opened with an interesting split
We were hangin' in there and lookin' fit
Tourney number two yielded two out of three
But the Listowel loss left us up a tree.

The third tourney added to our streak
Two more losses put us up the creek
But you can't say we didn't have a paddle
As we showed well, putting up a good battle.

In the final round we didn't play well
We were at a loss when 'Bakes' fell
Yet we managed one to end the season
With four victories and a team with reason.

Clearly, every cloud has a silver lining
We came out ahead and even shining
As Coach Harris and her sarcastic touch
Were a sunny combination. Just too much!

Our Thanx

Bakes, Connie, Gates, Janine, Mouse, Myrtle,
Rosie and Sandy.

* JUNIOR GIRLS BASKETBALL *

This year saw the Junior Huskiettes split their basketball season, taking five and dropping four. Initially, this season saw some hardwork produce satisfaction. The team was able to put it together in the first part, chalking up a four-one win-loss record at mid-season. However, once known as a 'third-quarter' team, the latter half of the season frowned on slow starts. Thus, we missed a play-off spot by one game, three points short on the scoreboard. Nonetheless, several tall points were experienced this season, and we have Coach Harris to thank. Sometimes good things do come in small packages!

* SENIOR BOYS VOLLEYBALL *

The senior team this year had a very respectable season. The scheduling was set up in the form of four mini tournaments in Perth County and the same in Huron County. The top three teams from each county then competed in a final tournament for the championship and the right to go on to WOSSA. During the mini tournaments our team was very strong losing only to Listowel and hence ending up in second position. In the final tournament we played all the other five teams with the following results:

	OUR SCORE		OUR SCORE
(a) Exeter		(d) Listowel	
1	15	15	8
6	15	15	4
(b) Goderich		(e) St. Mary's	
13	15	15	11
13	15	15	8
(c) Clinton			
11	15		
5	15		

We lost to St. Mary's in this series whereas we had beaten them every time previously. This eliminated our team from WOSSA. (St. Mary's went on to win WOSSA). The boys had a very successful season showing good team effort and sportsmanship. This team has set a good precedent for other volleyball teams to try to match.

* SENIOR BOY'S BASKETBALL *

This year it is said that we have the best Senior Huskies team, in the History of Northwestern. The Huskies had a perfect season with 9 league wins and 0 losses. We proved to be successful because of our powerful defence and offense with players like John Bell, Ivan Coulthard, Doug Horst, Steve Smethurst, and Bob Bain on the starting line. The other players were good follow-up players.

In our Annual Huskies Tournament, we bombed East Elgin 91-9 in the first game with everyone scoring. This led us to the finals against the Central Ramblers. However we lost a well played game to them by a slim margin of 55-49.

In our league games we were powerful over the Huron-Perth teams and usually won by a large margin. We had our greatest battle against the Central Ramblers, but we came out victorious with a 62-60 win, moving us into first place. The team finished with a 21 win - 5 loss record for the season.

The Huskies were in the Huron-Perth finals and also in the W.O.S.S.A. finals with Central. This year the Senior Huskies are number 'ONE'.

* JUNIOR BOYS BASKETBALL *

The Junior Huskies ended up with a season record of 18 wins and 8 losses. The Juniors beat London Central who won their conference. In league play the Huskies ended up with a 7 - 2 win-loss record which put them into third place. When the playoffs came, the Juniors had to place against Central, but lost to them by a score of 54 - 48. This put the juniors out of contention to win the Huron-Perth title. But our Juniors got to go to W.O.S.S.A. which was held in our school. The Junior Huskies did well. First they beat the Medway Cowboys then went on to beat East Elgin, who had beaten them in the Huskie Tournament. The Junior Huskies were beat in the final game against W.O.S.S.A.

The team would like to thank Mr. Wright for his outstanding job at coaching in his final year as a basketball coach.

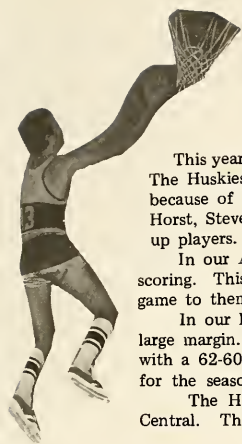

* MIDGET BOYS BASKETBALL *

Northwestern Huskie Midgets finished the basketball year by winning the Perth Huron Tournament Championship for the second straight year by defeating Listowel 37 - 34 in the championship match. The midgets had an undefeated season in Perth Huron Conference play with a record of 11 wins - 0 losses. Their overall record in exhibition and regulay season games was 17 wins - 1 loss.

The high scoring averages for 18 games were:

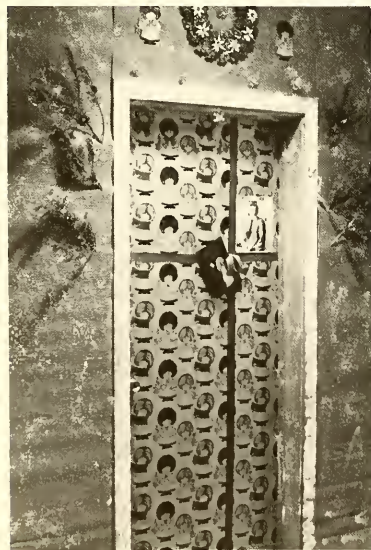

Bill McCann	- 13 points
Ken Nelson	- 13 points
Brian Leyser	- 6 points
Brian St. Clair	- 5 points
Gary Shaw	- 4 points

We would like to congratulate the Midget Huskies for a most successful year.

OUR PRESIDENT'S MESSAGE

Another year has gone by but not without recognition of what we have accomplished. For a school which will be 10 years young this September, we're a David with a very big stone. We've met the best and defeated the best. Our job is never done, however. The success we've had this year has been due to the remarkable pride and dedication of the students of Northwestern.

In the years to come you may look forward to seeing a greater school with abundant spirit; the events promoted by the Student Council will be bigger and better than ever. There is no limit to the determination of a dedicated school such as Northwestern. Our "building character" will reach the point where we can look back in the history of ourselves and realize just how great we really were and how much better we can make the future. We will eventually reach the point where students will guide students and then be able to walk down that road of life which we've never seen before. But, that shall be our reward, the future.

To those who have stood along side of me in power and glory, I say "thank-you". To those who have aided council in producing the most successful year ever, I say "congratulations". To those who have lived the school year and placed the school amongst the best in Western Ontario, I shake your hand! "God loves you all!"

BACK- Cathy Gettler, Cathy Haveron.

This year, the typing competition was carried on at each school. Northwestern competitors typed on Friday, February 2 on their own machines and were therefore familiar with their surroundings. They had only two weeks in which to prepare for the competition.

The results were very favourable for Northwestern. Of 18 senior entries, Cathy Haveron placed third with 48.8 words per minute and Cathy Gettler was fourth with 48.6. Their combined senior team effort placed third of nine entries at 48.7 w. p. m. Of 16 junior entries, Marlene Fuhr placed first with 53.0 w. p. m. and Margaret Aitcheson seventh with 36.8 w. p. m. The junior team entry of Cathy Muma and Marlene Fuhr placed second with 51.3 w. p. m.

Northwestern was obviously well represented at this year's typing competition.

ACTION '73

* I.S.C.F. *

The I.S.C.F., which stands for Inter School Christian Fellowship, is a brand new club this year. The staff adviser for this club is Mr. Palmer. The club's main function is to bring together Christian youth. In this way, through assemblies and guest speakers youth can discuss issues and be Christian witnesses. Important plans include participation in "Key 73" and engaging guest speakers for the school to enjoy.

In today's complex society it is important to have someone to look up to. Students tend to shun religion because they think they will be ridiculed by their peers. Now is the time to stand up for what you believe in!

* M.E. CLUB *

In our third year, the Man's Environment Club has attempted to show the city of Stratford that we can have a better place to live in than what we do now. Man has created an enormous problem which can only be solved through the uniting of communities to battle against it. We took on such a position, aiding other pollution wary societies and also acting as watch dogs against the instigators of environmental deterioration in this region. Our intentions were not only to clean up what man has done but to beautify what we have left. We hope that through our efforts we have made others aware of the necessity for a cleaner environment to live....and to breathe in.

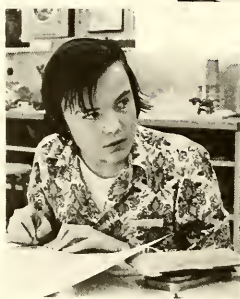

* ALLISTAIR FARQUHAR WINS TROPHIES AT PLOUGHING MATCH *

Mr. Gordon Bell presents the Frank Bell memorial trophy (a combination thermometer, barometer, and hygrometer) to Allistair Farquhar for the highest score for Perth County of a ploughed land in the International Ploughing match.

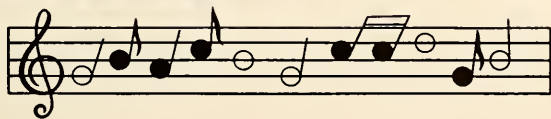

Students from Northwestern made a good showing at the International Ploughing Match at Sebringville this year. Among those placing in the Student's ploughing competition were Wayne Wolfe, 2nd; Steve Parker, 3rd; and Roger Beurman, 3rd.

First prize on Tuesday went to Allistair Farquhar who added a seventh in the open class on Wednesday and a ninth on Friday for a total of sixteen points overall. Allistair's was the highest scoring ploughed land in Perth County and was awarded the Frank Bell Memorial Trophy and the Eaton's of Canada prize (a silver cream and sugar service). For the highest points scored in Perth County over the four days he was awarded the Harwood prize of cash.

CHEERLEADERS

Brenda Wilton, Janice Buckley, Rozanna Janeczek, Arlene Moffat, Bev Hesse, Donna Schmidt, Elaine Gower, Rena Rigg, Joan Brickman.

This year's cheerleaders are also proving that Northwestern is No. 1. In the 1972 Huron - Perth Track Meet the cheerleaders entered competition with a team of 8 girls, 10 boys, and a dog. They placed first winning the Huron - Perth Cheerleading Competition.

During the football season of this year they went into competition with a squad of 10 girls and once again placed first, winning the Huron - Perth Football Cheerleading Competition.

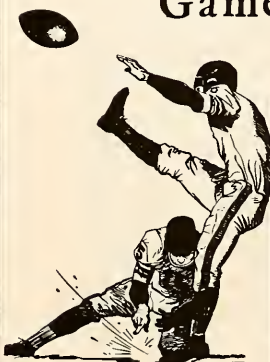

The cheerleaders are always present at our home games cheering Northwestern's teams on to victory. All this has only been possible due to a great deal of time and devotion from these girls and their coach Mrs. Robinson.

I am proud to be a Canadian

Because of the beauty of our land; the majesty of the mountains; the far horizons of the prairies; the sweep of the shorelines; the abundance of the farm lands; the sparkle of ten thousand lakes and rivers...even the forbidding barrens of the North.

Because of the rich diversity of our people. We are not a melting pot, but a unique union of minorities; each of us proud of his origins but prouder still to be a Canadian.

Because we are a multilingual country: two basic languages and - woven through the fabric, and enriching it--the sound of other tongues, all united in praise of "the true North, strong and free."

Because our country was not born in nor does it live in violence. We harbour no hate, we covet no territory, we envy no other people.

Because our heritage confers such bounty. Our laws and our traditions have been built on faith in God and man, on an unflagging love of freedom, and on respect for the rights of others. Our physical resources have not yet been fully contemplated much less measured.

Because in Canada the operative word is Tomorrow, not yesterday. Our greatness rests not only in our history but in our future. Our destiny has yet to be fashioned.

Because my pride in Canada does not cause me to respect other nations or other peoples less. I am a Canadian, yes; I am also a citizen of the planet earth and a brother of every other man.

It is hard to imagine that in 25 years, in the year 1998 you probably wander back through the dusty pages of this book.

You'll find you have grown a little older, a little heavier and even a little wiser.

As you turn the pages, you'll remember some of the names, few of the faces and all of the good times from the year 1973.

And that is the way it should be . . .
